Y	The Central Bank will consider applying this waiver in general or on a case-by-case basis, where an application is made and duly justified, subject to prior consultation with the EBA and coordination with the ECB (per ECB Recommendation ECB/2017/10, Part Two, III.)
241		Article 129(1a), point (c)		Competent Authorities	Exposures to credit institutions that qualify for credit quality step 3 in the form of derivative contracts	The competent authorities designated pursuant to Article 18(2) of Directive (EU) 2019/2162 may, after consulting EBA, allow exposures to credit institutions that qualify for credit quality step 3 in the form of derivative contracts, provided that significant potential concentration problems in the Member States concerned due to the application of credit quality step 1 and 2 requirements referred to in this paragraph can be documented.	NA	NA	NA	NA	The Central Bank has not, to date, set out its position on the application of this waiver.
242		Article 129(3a)		Member states	Minimum level of overcollateralisation for covered bonds	Member States may set a lower minimum level of overcollateralisation for covered bonds than 5 % or authorise their competent authorities to set such a level, provided that the conditions in point (a) and (b) of this subparagraph are met.	Y	https://www.irishstatelawbook.ie/	Section 32(17) of the Asset Covered Securities Act 2001/2007	Y	The Asset Covered Securities Act 2001/2007 applies a minimum 3% overcollateralisation requirement for designated mortgage credit institutions and designated public credit institutions. A Prudent Market Valuation is applied for the purpose of determining the valuation of the cover pool in the context of overcollateralisation.
250		Article 164(6)		Competent Authorities	Minimum values of exposure weighted average Loss Given Default (LGD) for exposures secured by property	Based on the data collected under Article 430a and on any other relevant indicators, and taking into account forward-looking immovable property market developments the authority designated in accordance with paragraph 5 of this Article shall periodically, and at least annually, assess whether the minimum LGD values referred to in paragraph 4 of this Article, are appropriate for exposures secured by mortgages on residential property or commercial immovable property located in one or more parts of the territory of the Member State of the relevant authority. Where, on the basis of the assessment referred to in the first subparagraph of this paragraph, the authority designated in accordance with paragraph 5 concludes that the minimum LGD values referred to in paragraph 4 are not adequate, and if it considers that the inadequacy of LGD values could adversely affect current or future financial stability in its Member State, it may set higher minimum LGD values for those exposures located in one or more parts of the territory of the Member State of the relevant authority. Those higher minimum values may also be applied at the level of one or more property segments of such exposures. The authority designated in accordance with paragraph 5 shall notify EBA and the ESRB before making the decision referred to in this paragraph. Within one month of receipt of that notification EBA and the ESRB shall provide their opinion to the Member State concerned. EBA and the ESRB shall publish those LGD values.
